March 29, 2012

To Whom It May Concern:

I am writing to request a waiver of the Form 471 application filing window deadline. I missed the filing deadline of March 20, 2012 due to waiting for the 28 days after my Form 470 was posted on February 24, 2012.

On March 29, 2012 the application of Form 471 and its attachment 21 was completed and certified electronically. It was classified by USAC as out of the window. I am petitioning for a waiver of the Form 471 application filing window deadline, and for the extension of the deadline to allow the School's application to be considered by USAC for the funding year of 7/1/2012 to 6/30/2013. The School's application can be referenced using the following information:

Applicant's Name: Celeryville Christian School

Applicant's Form Identifier: FN471

Billed Entity Number: 49332

471 Application Number: 875658

Funding Request Number: 2390710

Contact Person: Nathaniel Pettinga

I apologize for the delay of filing the Form 470 for the allowance of the 28 day waiting period before filing Form 471. If you need any additional information, please contact me.

Sincerely,
